CAP ST GEORGES HOTEL

Descriere CAP ST GEORGES HOTEL 5*

Elegant and redefined, occupying a natural stunning beachfront location, the brand-new 5-Star Luxury Cap St Georges Hotel Resort due to open in April 2022 takes accommodation to a different level. Ideally positioned on the south-west coast of Cyprus and within easy reach of the city of Paphos, Cap St Georges Hotel Resort has been consecutively been awarded the best Cyprus European Hotel New Designed Construction Award. The ultimate 2 Km beachfront destination, for anyone who is looking to relax privately in luxurious premises whilst enjoying the lavish services. Radiating across 580k m2 of thoughtfully-designed landscape, surrounded by idyllic nature paths and crystal blue waters offering a relaxing scenery with an elevated and varied offering in only mostly sea view accommodation, suitable for leisure guests and business guest alike. The diversity of accommodation extends from family-friendly to the solo, trendy traveler and couples, with a choice of rooms and suites, some with private heated pools.

Offering a collection of 163 sea view guestrooms and 39 suites including a stunning 7-bedroom Presidential Villa Suite, Cap St Georges Hotel & Resort has a diversity of choice, from family-friendly to solo – trendy luxury travelers' options, styled with individual characteristics that resonate with a multitude of tastes.

Cap Thalassa, Cap Superior and Cap Deluxe guestrooms are located within the main building and furnished with King or Twin beds, some with additional sofa bed.

Each category has beautiful views of the main pool area or the sea. interconnecting family suites are also available and located in the main building. The adjacent exclusive Residences of the resort offer more private and relaxing surroundings with Residence Panorama and Residence Rooms with or without private pool and One- or Two-Bedroom Luxury Suites with Private Pool. Each category has beautiful landscaped views including the sea.
